

2014 IAPS Conference - Call for Papers

www.iaps.net

The International Association for the Philosophy of Sport invites the submission of abstracts to be considered for presentation at the 42nd annual 2014 IAPS meeting. The conference will be held September 3-6, 2014 in Natal (Brazil) sponsored by the Universidade Federal do Rio Grande do Sul.

Abstracts are welcome on any area of philosophy of sport (broadly construed), including metaphysics, epistemology, aesthetics, and ethics, and from any theoretical approach, including analytic philosophy and critical theory. Of interest are topics regarding the Olympic Games across a broad spectrum that engages their history, current challenges (e.g., sustainability, doping), the Paralympic Games, and other areas of related interest. While IAPS recognizes, values, and encourages interdisciplinary approaches and methodologies, *acceptance is contingent on the philosophical content of the project*. Emerging scholars are encouraged to submit works in progress.

A Program Committee of three IAPS peers will review abstracts. Contributors will be notified about the status of their abstracts by May 19, 2014.

Proposals for round table and panel discussions, including a tentative list of participants, are also welcome and should follow the same format as paper abstracts.
